### **Objective:**

Gain an entry level position/internship as a Graphic Designer.

### **Currently:**

A graduate of Texas State University with a desire to harbor and use my wide range of talents in the graphic design field.

### **Education:**

San Marcos High School Diploma  
Texas State University : Graduated, May 2008, Magna Cum laude, with a Bachelors of Fine Arts in Communication Design and Studio Art with an emphasis in painting.

### **Academic Achievements:**

#### High School:

Graduated with honors in top 5 percentile  
President's Award for Educational Excellence 2003  
First Place in Regional Visual Arts Scholastic Events 2000-2003  
College Board Advance Placement Recognition 2003

Creative Summit Twenty-Two: Neko Case Gig Poster selected for show  
Showcased in Student Art Show 2008 and recipient of the Juror's Merit Award.

### **Work Experience:**

#### *English Department:*

Student worker for five years. I handled copies for professors in the department, took on many different duties pertaining to office work and was in charge of ordering books for professors. This job has provided me with design opportunities such as: Flyers for the department, imagery for the Medieval Renaissance Society, the design and layout of the English Syllabus, and their Persona Magazine in 2007.

#### *Colloquium Bookstore:*

A worker in Art Department and General Merchandise for a year and a half. This job helped hone my hand skills in mounting and cutting projects for students as well as increase my knowledge in almost all artistic medium. It has also helped me open up and improve my people skills with a greater understanding of service.

#### *Grace Lutheran Church:*

Currently working on a Logo for the Grace Lutheran Church.

### **Design Skills:**

I am proficient in Adobe Photoshop, Adobe InDesign, Adobe Illustrator, Painter X, Microsoft Word, Microsoft Excel, and Power Point. I have a basic understanding of Dreamweaver and Flash programs. I am familiar with both MACs and PCs and can type about 50 wpm

### **Hobbies:**

Drawing, Painting, Fishing, Design, Digital Painting, some Animation, Reading Sci-fi, Horror, Fantasy Novels, and anything dealing with mythology and ancient folklore.
